

Pool Suites at the Temples Gates

Templation is the closest resort to Angkor Wat. The resort offers 50 units (including Jungloo tented bungalows) scattered amongst 2-ha landscaped grounds with a wide variety of tropical plants, surrounding one of the largest swimming pools in Siem Reap. To date, Templation is equipped with the largest source of solar energy in Cambodia's hospitality sector.

Facilities

The Main Pool

Holding one thousand cubic meters of water, Templantation's pool is one of the largest in Siem Reap.

The Restaurant

Asian and Khmer cuisine are offered alongside Western classics right by the pool.

The Lounge & Bar

Open on three sides, the poolside lounge and bar area keeps one close to the natural surroundings.

The Meeting Room

A multipurpose space seating up to 60 people for meetings, conferences, private functions and celebrations.

The Gym

A small gym overlooking the gardens, with treadmills, a cross trainer and weights.

The Spa

Massages, scrubs and treatments specially designed for Angkor visitors. LPG wellness therapy.

The Shop

Exclusive and locally made handicrafts, supporting Cambodian artisans.
